The diagram is a hierarchical organizational chart for an Initial Incident Organization. At the top is the Incident Commander, with boxes for State and Federal entities connected to the side. Below the Incident Commander is a Deputy IC. To the left of the Deputy IC are three boxes: Legal Officer, Safety Officer, and EOC Manager. To the right are three boxes: PIO, Liaison Officer, and Security Officer. Below the Deputy IC are four main branches: Operations Chief, Planning Chief, Logistics Chief, and Admin/Finance Chief. Each of these branches has a vertical column of four empty boxes below it, representing a chain of command or task delegation.
